

GENERATIONS IN FAITH TOGETHER

SEQUIN BALL DECORATION

You will need:

- 65mm polystyrene ball
- Large sequins, multi-coloured, with a mixture of shapes
- Metallic curling ribbon, 50cm long
- Lills pins (tiny dressmaking pins)
- Small bowl or container

What to do:

1. Using a pin, secure one end of the ribbon to the polystyrene ball.
2. Wrap ribbon around ball, and secure again using another pin.
3. Wrap ribbon around ball again – halfway between the other piece. Secure with pin at the bottom crossover point, and again at the top.
4. Loop remaining ribbon, and secure back to the same point, this time using a sequin and a pin.
5. Decorate the ball using the remaining sequins and pins.
